## Objective

As a motivated and recently completed a Bachelor's degree in Information Technology, I am eager to apply my technical skills and passion for innovation in a dynamic and growth-oriented organization. Seeking a challenging position that allows me to contribute to cutting-edge projects, enhance my expertise, and thrive in a collaborative team environment.

## Education

- **Richfield Graduate Institute of technology**                                                2021 - 2023
  Bachelor of science in Information technology
  NQF 7

- **Richfield Graduate Institute of technology**                                                     2020
  Higher certificate in Information technology
  NQF 5

- **Waterberg high school**                                                                                      2019
  Matric
  Admission to bachelor's degree

## Skills

- Strong analytical thinking
- Excellent problem solving skills
- Ability to work in a team and independently
- Highly organised with a strong work ethic and attention to detail
- Adapt quickly to new situation
- Good communication skills
- Good time management
- Interpersonal skills

## Reference

- **Mr E PITSE - Richfield Graduate Institute of technology**
  Lecturer
  072 496 9966

- **Miss MP MAKHURA -**
  Mentor
  076 357 2977

## Programs Attended

- Limpopo MLab, Nemisa Data Science hackerthon.
  I actively participated in the Nemisa Data Science Hackathon in November 2022, collaborating

with a diverse team to solve real-world data challenges.Utilized data analysis techniques and machine learning algorithms to derive insights and present innovative solutions.
I demonstrated strong problem-solving skills and adaptability in a fast-paced, competitive environment and collaborated effectively with team members, contributing to the overall success of the project.

## Technical Skills

- Front End (HTML, CSS, PHP,& Javascript )
  Framework (Bootstrap, ReactJS & Tailwind CSS )

- Back End (Visual basic, Java, C#& C++)
- Microsoft Office (Word, Access, Excel & power point )
- Database (XAMPP MySQL and SQL )
